

THE
TIME
MACHINE

BY CLEMENT, MILA, JEANNE
AND ROSE

"I pressed the lever forward and the time dial whirled."

"I saw the sun rise and fall in an arc in less than a minute."

"The moon racing through tumultuous clouds in a matter of seconds."

WHIRRRRRRRRRRRROOOOOOO

It became intoxicating... to see an entire storm in a few seconds. I pushed the lever...

"Thirteen years had passed... dawn dawn... afternoon... afternoon and then..."

"In the year 1917, I stepped..."

I arrived in another world!
