

the *The Time Machine*

After a long trip in time, the Time Traveller eventually pushed the button to stop the machine. He landed in year 811 887.

Some creatures came to him so he tried to communicate but...

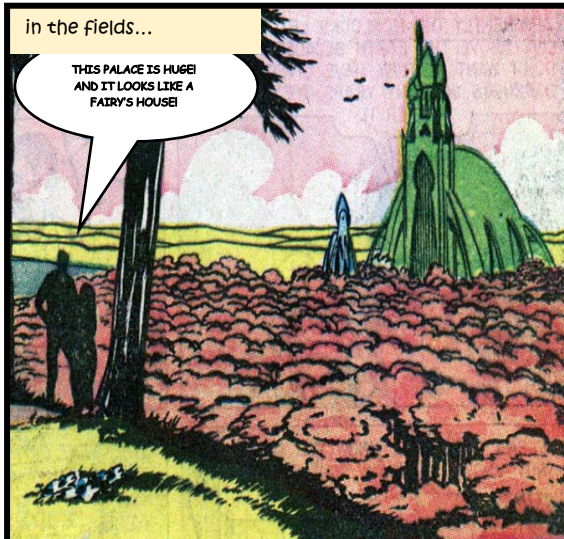

...they didn't speak the same language as him

The strange creatures started to walk, he decided to follow them leaving his time machine behind him.

in the fields...

THIS PALACE IS HUGE!
AND IT LOOKS LIKE A
FAIRY'S HOUSE!

...and in the forests

WHERE ARE THEY
TAKING ME?
